It is believed that friends of this pioneer in Maryland journalism will rally to its support.

HIGH SCHOOL PLAY

Rehearsals for "A Scrap of Paper" to be given by high school students are progressing satisfactory and the production is almost ready to be staged. When those who are taking part appear behind the foot lights Thursday evening it will be after devoting weeks of practic and work and time for the purpose of presenting not only a creditable but also an entertaining performance before their parents, friends and townsmen From all indications, these efforts will meet with the desired success. Of course, it is an amateur affair and there are those who are prejudiced against amateur theatricals. But it is hoped, that on this occasion they will be willing to lay aside their prejudices and judge the show on its merits as a high school play. Fortunately, there are also those who are prejudiced in favor of amateurs, especially when they know the performers, and these are the ones who are expected to be out in full force, and encourage the young players.

A plensant evening is promised not only by the show itself, but also by the music between the acts which will be a feature of the evening. A ukulele chorus has recently been formed among the girls of the high school and they will render a program between the acts. This chorus has already appeared before an Alexandria audience and met with a favorable reception, and it is safe to assert that the extra practice they have had since that time, will assure them a still more favorable reception on this occasion.

All things considered, you cannot fail to enjoy yourself, if you attend this performance, which will be presented three nights this week. At the same time, you will be backing up the boys and girls of your town and assuring them, by your presence of your interest in their undertakings. You can attend the show on either Thursday, Friday or Saturday evening of this week at 8:15 at the high school.

SIZZLING SABBATH FELT BY THIRSTY CHICAGOANS

Chicago, Nov. 8.—Chicago is dry. For the first time thirsty citizens know what prohibition can really mean.

Sunday every cabaret, cafe, dry saloon and "athletic club" was guarded by Federal agents. Large signs were posted in cafes and hotels warning guests not to bring "hip liquor" with them. Many dry saloons closed for good and deliveries from a number of breweries ceased.

Monday the Federal grand jury will consider evidence gained by the confession of "Mike DePike" Heitlen. Thirty-one policemen, at least two police captains and one police officer of higher rank are listed as implicated in the liquor scandal. Federal warrants are to be issued for some of these men tomorrow.

FORGET OLD WAR HATES SAYS M'ADOO

Co-operation in Facing Pending Problems Greatest Present Need

DEMOCRACY NOT DEAD

Party Still Lives and Has Great Future of Service to the People—Defeat Not a Disaster.

New York. Nov. 8.— William G. McAdoo, former Secretary of the Treasury, in a statement last night commenting on the result of the national election, declared "what the country needs is subsidence of the passions and hatreds engendered by the war and the partisan political appeals that have followed."

"It is of no value to try to explain the causes of the Democratic defeat" the statement said. "The overwhelming Republican victory has given that party the Presidency and both Houses of the Congress. After March 4 next, it will have entire responsibility for the policies and administration of the Government, and cannot evade or excuse its failure to perform the promises it has made to the country.

"Under our political system it is always better to have one party control at Washington than to have divided authority.

"What the country imperatively needs now is subsidence of the passions and hatreds engendered by the war and the partisan political appeals that have followed. The country is sick of political slanders and controversies. It wants domestic as well as international peace and it wants restoration of that fine spirit of co-operation which made America invincible in war.

"We face domestic and international problems of great gravity. The only way to solve them is through co-operation. The highest duty of the leaders of both parties is therefore to promote better feeling among all classes of our people, to refrain from unworthy appeals to class and racial prejudice and to bring to bear upon our serious problems that dispassionate and intelligent consideration through which alone there is promise of genuine public service.

"The Democratic party has suffered a severe but not a disastrous defeat. It is far from dead; it is not even seriously wounded. Throughout our history overwhelming political reverses have been followed by extraordinary political recoveries.

"So long as the Democratic party is true to its mission of service to the common people it will live. What we must do now is to build up and strengthen the party organization, not in the interest of any individual or group or faction, but for the cause of democracy itself and, above all, for service of country.

"It will not be difficult, through proper leadership and organization, to reinspire party enthusiasm to restore party unity, to maintain party ideals and principles and to regain popular confidence. To this task Democratic leaders must now devote themselves with unselfish patriotism and courage."

MEETING AT THE FIRST CHURCH GREAT CROWDS ON SUNDAY

The high tide of interest in the revival services at the First Baptist Church came yesterday. In the exceptionally large Sunday School services there was not a little interest. At the regular morning service more than one hundred men of the Baraca Class were present in an exceedingly tender service, and altogether there were many manifestations of interest. Though Mr. Stewart could not be present, a congregation which overflowed into the galleries assembled last night to hear the pastor, Rev. E. B. Jackson. The meetings will continue this evening at 7:45, opening with a song service. Rev. Mr. Stewart will certainly be present this evening and tomorrow evening. These services are open to all.

Killed Bank Runner

Suspects Confess Crime Separately, Then Lead to $65,000 Cache

Mount Holly, N. J., Nov. 8.—Frank James and Raymond W. Schuck have confessed their implication in the murder of David S. Paul, Camden bank messenger. Schuck made his confession this morning in the Burlington County jail, while James told his story last night, without knowing that Schuck had confessed. Both men told the same story except that Schuck denies any premeditation of the crime on his part.

"James called for me at the Bell Telephone Company, Camden, the morning of October 5, and asked me to take a ride in the country in his automobile," said Schuck. "I consented and took the wheel, while James sat in the back. Near Broadway and Federal street we encountered Paul and asked him to take a ride with us. Paul declined, saying he was on his way to deliver money to the Girard Trust Company, in Philadelphia.

"'Jump in we'll take you to the ferry,' James said. Paul accepted, sitting in front with me. Two blocks from the ferry, I noticed the bank messenger crumpled up in the seat and then saw James pull him into the back of the machine by the coat collar. Looking behind, I saw James pounding the old man on the head with a hammer as he lay on the floor.

"'Stop that' I yelled, "Why are you doing that?"

"He double crossed me once, the ——' James gritted out. 'Where shall we take him?;"

"We had better take him to the hospital,' I answered, and headed about in that direction. Not far from the hospital James pulled a revolver and sticking it against my back, told me to go where he should order or else he would kill me. I was so nervous and frightened that I could hardly run the car. Some distance down Marlton Pike, I heard two shots in the rear of the machine and looking back saw James with his revolver against Paul's head."

The remainder of Schuck's tale described the disposal of the corpse which was found near Tabernacle in Burlington County on October 16.

After making the confession Schuck led detectives to a spot in Evergreen Cemetery, Camden, where he and James had buried $65,000 on the day of the murder. The money was recovered.

NEED FOUR BILLION YEARLY FOR DEBTS

Treasury Officials Lay Draft of Report Before Dept. Chief.

TAX ON EXCESS PROFIT

Suggest it be Eliminated Would Substitute Graduated Revenue Measure Affecting Incomes Over $5,000

Washington, Nov. 8.—The nation will face a continuation of the annual tax bill of $4,000,000,000 for a period of at least three years if Congress adopts officials and which, it was understood last night, have been laid before Secretary Houston for approval.

Mr. Houston, it was stated, probably will include such recommendations in the form of an analysis of the Government's financial condition in his forthcoming annual report to Congress. The analysis will show, and accompanying recommendations will suggest, it was said, that a three-year program for tax revision is requested in order to meet maturing Government obligations and cover current Federal expenses.

Approximately $8,000,000,000 in victory notes, war savings securities and Treasury certificates of indebtedness will be due for payment within the next three years, Treasury figures show. Retention of the present aggregate level of taxes, or maintenance of the annual revenue of the Government at about $4,000,000,000 then is held to be unavoidable on the face of average expenditures estimated for the period.

Recommendations to be made by Mr. Houston, it is understood, will propose abolishment of the excess profits taxes in their entirety and the substitution therefore of a graduated income tax of a substantially deeper cut than under present revenue laws. It was believed the new income tax would apply only to incomes above $5,000 annually and that provision would be made for a graduated increase even on the additional tax as the amount of income grows larger.

The Secretary is expected to advise Congress that the strictest economy in Federal appropriations is necessary if the program outlined on the basis of a $4,000,000,000 tax bill is to be accomplished. He has said that there was no way to estimate with any degree of accuracy what even the present laws would yield in revenue because of the rapidly changing conditions in business as a result of after-the-war transition and readjustment. Mr. Houston's view of this was said to be that tax receipts would be materially lower later in the present fiscal year, which ends June 30, 1921, and that, therefore, the Government income under the present revenue laws could not be taken as a basis for calculating future receipts.

The attitude, which is held also by practically all Treasury officials having to do with the tax collections forecast a task of great difficulty for the framers of the new revenue act. The Treasury will insist strongly on legislation which would produce $4,600,000,000 for the next year, but the ways and means of getting it will be left to Congress except for the suggestions contained in the Treasury's report, in fact, the tax law framers will be informed that there is no alternative to voting a revenue act that will produce the required amount.

The program for handling the national debt—and its payment is obligatory—can be accomplished only through annual revenue of $4,000,000,000 Treasury officials hold. With the Victory notes maturing in 1923 and the war savings securities falling due in the interim and until 1924, it was declared a possibility that the $4,000,000,000 tax level might have to be continued until the latter date.

Treasury views are expected to clash with those of the Republican majority in Congress, on questions of ways and means of obtaining the needed revenues. But with the changing administration it was understood the present regime at the Treasury would merely suggest and offer little argument in support of their stand for repeal of the excess profits taxes and replacement of the amounts so

Interesting Address

Judge Norris Talks at Men's Meeting Yesterday

"America is a Christian world power by the providence of God, and not of her own desiring," said Judge William F. Norris, of the Department of Justice, at the first men's meeting of the Y. M. C. A., at the Richmond theatre yesterday afternoon.

Judge Norris, in one of the most interesting addresses heard in Alexandria in many a day, traced the history of the American republic from its very beginning, and showed conclusively that the hand of Providence has had no small part in the shaping of its destiny.

Especially interesting and dramatic was his description of the entry of America into a world relationship by the acquiring of the Philippine Islands The Judge spent several years on the Islands and was very familiar with the development of American progress there.

The meeting, which was the first of a series of six to be given by the "Y," began with a band concert by the Citizens' band, after which congregational singing was led by W. E. Dunn. Miss Nellie Pierpoint sang "I'm a Pilgram," by Johnson. President C. C. Lamond introduced N. S. Greenaway, chairman of the religious work committee, who was chairman of the meeting.

Next Sunday being Armistice Sunday the American Legion will be especially invited to the meeting and Chaplain F. M. McCoy, assistant to the chief of chaplains of the army will speak on "The New Offensive."

AUTO DESTROYED BY FIRE

Fire of undetermined origin shortly before 2 o'clock yesterday morning destroyed a seven passenger touring car of Frederick Gravenstein of 525 Oronoco street which was parked on the east side of St. Asaph between Oronoco and Pendleton streets. The fire department responded, but the machine was practically destroyed when they arrived The machine was only partially insured.

MAN KILLS SELF

Washington, D. C., Nov. 8.—Ferdinand Molkow, 44 years old, whose home is in the Chastleton apartments, Sixteenth and R streets, shot himself in the head early yesterday morning in a vacant lot adjoining 2473 Champlain street northwest, dying almost instantly. The bullet plowed through the right side of the head and lodged in the brain. At the apartment of Molkow's wife, at the Chastleton, it was said no reason could be given for Molkow's act.

Successful Social

Affair Given Saturday in Westminster Building Attracts Large Throng

The first young people's social given by the Ladies' Auxiliary of the Y. M. C. A., at the Westminster Building last Saturday, was a decided success in every way. The program was in charge of the Christian Endeavor Society of the Second Presbyterian Church.

One of the decided hits of the afternoon was the "afternoon tea" which attracted a large number and many expressed the opinion that it would become a permanent fixture of the socials, no matter which young people's society happened to be in charge.

The games, deck shuffle board and indoor quoits, were popular and as soon as the rules become a bit more familiar to the young people, the games will be immensely popular. Deck shuffle board seemed to be more popular with the ladies than quoits, probably because it was some easier.

A splendid program was rendered during the luncheon or "dutch lunch" hour. Stephen Field, Mrs. William H. Nes and Miss Nellie Pierpoint all sang unusually well considering that there was suppo [illegible] be going and eating going on at the same time. However the crowd stopped and listened and showed its appreciation in hearty applause.

A. J. Rhodes, president of the Players' Club, of Alexandria, entertained the crowd with two of his inimitable readings which were thoroughly enjoyed.

Mrs. Harry B. Caton, president of the Ladies Auxiliary, expressed herself as being highly pleased with the start and stated that the Epworth League of the M. E. Church, South, would be in charge of the affair next Saturday, which will begin with the afternoon tea at three o'clock.

HELD FOR ATTACK ON 15 YEAR OLD GIRL

Joseph Ceaser, Fruit Dealer, Held For Grand Jury

OCCURRED MONTH AGO

Miss Jessie Garland, Who Was Employed as Clerk by Ceaser, Complainant—Prisoner Sent Out of City

Charged with attacking Jessie Garland, fifteen years old, who was employed in his fruit and confectionary store at 1118 King street, as a clerk, Joseph Ceaser, thirty-four years old, a native of Italy, was in the police court today held for the action of the grand jury.

The trial was held private in the police court room before Justice Louis N. Duffey and only the girl and her mother were present.

The accused was represented by Attorney Charles Henry Smith. Immediately following the hearing Ceaser was sent out of the city for fear of mob violence. His case will be presented to the grand jury, which will meet at 10 o'clock Friday morning in the corporation court. The accused stood up and listened to the serious charge made against him by the young woman without flinching. He made no statement at the preliminary hearing.

According to the young woman she had been employed by him for several months. The alleged attack she told the court occurred about a month ago at the store conducted by Ceaser.

She testified that she went to the store for her money on a Saturday. After making an insulting remark to her she claimed that the accused locked the door and she endeavored to get out of the back way but he ran

TRUE AMERICAN DOCTRINE

Governor Cox, the defeated Democratic candidate for President, in his first statement upon the election has something to say to his fellow-Democrats and to the country which is well worth repetition here. His statement, which was printed in the newspapers yesterday, is as follows:

For the first time in ten years the Republican party is in complete control of the legislative and executive branches of the national Government. Therefore, policy as to statute and administration is with it. Its task is no longer that of the critic, but the constructor. It is my hope and firm belief that the Democracy of the nation will not attempt political sabotage. The country has seen quite enough of that.

We are in the midst of an emergency and the nation's every resource should be co-ordinated in behalf of the things that are helpful. So long as Government exists, the principles of Thomas Jefferson will be the centre about which human hopes will gather. Talk of a new party is absurd. One might as well discuss the destruction of human emotions.

Essential as it has been to the welfare of the country in the past, the creed of Democracy is more needed now than ever, because recent events have made it distinctively the American party.

In spirit I am as proud as when the fight started. I would not retrace a step, nor yield a single jot in principle. It was a privilege to make the contest for the right in the face of overwhelming odds. There is a distinct difference between defeat and surrender. The flag of Democracy still flies as the symbol of things more enduring than the passions and resentment that come with the aftermath of war.

Well said! The minority millions who votel for Governor Cox and what he stood for will be as sincere in their efforts to aid the next President as the other American millions who voted for Senator Harding, but the others will not get in the United States, or through it, what they though it,r mod mod mod mod omd thought they were voting for last Tuesday.

THE ONE WOMAN ELECTED

It is surprising, in this first election after the general enfranchisement of women, that only one of the sex was elected to Congress. It is still more remarkable that one should be a woman of mature years who had always opposed the suffrage idea. But here we have her in the person of the first "Lady from Oklahoma," Miss Robertson, who conducts a cafeteria in Muskogee.

It is natural to believe that Miss Robertson's election was an accident or a mistake—or both. It is simple enough to prove it an accident, but it is only her future conduct that can prove whether or not it was a mistake. Her candidacy appears at no time to have been taken seriously. Even she herself probably had no strong hope that she would be able to defeat the seasoned campaigner who had long represented that district of Democratic Oklahoma in the legislative halls at Washington. She made no extended tours, conducting her campaign from her cafeteria in the intervals of each busy day. She reached few voters besides those regular patrons who sat at her tables, but she profited by the restlessness affecting all voters in this campaign. She was swept in upon the wave of protest against the party in power.

Now that she has won her seat in Congress she may be full of fears, if not of regrets. These last may come in due course, but that there is now a deep sense of nervousness in her mature bosom one may very well imagine, despite her rugged upbringing. She was carried into the wild West by her pioneer father when she was only five years old, and she has done a man's work in the world; but she is now 65, and the work before her is not the sort for which her life has trained her.

She will inevitably come in for comparison with the only other woman who has sat in Congress, Miss Jeanette Rankin, of Montana. Miss Rankin's qualifications as a lawmaker were greatly superior to those of Miss Robertson. She was a woman of wide reading and a practitioner at the bar. Yet Miss Rankin was a dismal failure in Congress. Her fate may well shade the confidence of the elderly hostess of the cafeteria in Muskogee.

WEEK'S THEATRE OFFERINGS

Branded with the shame of her mother's past and yet able to climb social heights that had ever been denied her unnatural parent is the story that is ably borne out by Norma Talmadge in "The Branded Woman" that is to be the attraction at the Richmond theatre Monday and Tuesday. Miss Talmadge appears to the best advantage in this picture which is claimed to be one of the best this popular First National star has ever produced.

Clara Kimball Young heads the bill at the Richmond on Wednesday and Thursday in "For the Soul of Raphael", one of the most spectacular photo-dramas this great star has ever played in. She is supported by an all star cast that will go to make this one of the biggest pictures shown here in several months. "The Great Nickel Robbery" a big Fox Sunshine special comedy is also booked for these two days.

"Peaceful Valley," Sid Smith Russell's greatest stage success is booked for Friday and Saturday at the Richmond with Charles Ray, the best of all "rube" actors in the stellar role. This picture is said to be even better than "The Clodhopper" and "Bill Henry" and every patron of the local theatre knows what these two pictures furnished in the way of amusement and entertainment.

The entire week's bill at the Ingomar is without peer for this theatre beginning Monday with Alice Brady in a Realart special, "The Feast Market"; Tuesday, a seven-reel special CosmopoZtan production, "The Miracle of Love"; Wednesday, Zasu Pitts in "The Heart of Twenty"; Thursday, Emily Stevens in "The Sacred Flame"; Friday, George Beban in "Hearts of Men" the picture that ran so long at Moore's Rialto in Washington and completing the week on Saturday with Roy Stewart in "The Lone Hand." Ruth Roland in the special serial, "Ruth of the Rockies" will also be shown on Monday evening.

SPORTS

Once upon a time there was an old pirate chief who had a ship of many tons capacity, but in his greed to carry more loot to his land den he decided to double his ship's tonnage. It went well for a time until midocean was reached when too much weight sunk his craft. The above brief lesson can be applied to the Seamen Gunners and Virginia Athletic Club football game, played on the Shipyard Field yesterday, when the Gunners defeated the Virginias by a 24 to 0 score. Thus, too much weight carried the Virginias to the bottom.

While the Virginias played well at times and gained many yards from their heavy opponents, such gains amounted to naught, because of fumbles and loss of the ball that meant at least three touchdowns for the Gunners. The Gunners scored one touchdown in the first quarter, two touchdowns in the second quarter, and their fourth and last touchdown in the third quarter.

The game was a battle royal from start to finish and many players on both teams were injured. The Virginia lads were spunky and kept the Gunners in check, not withstanding the heavy assaults made upon their light lines. The Virginia players need not feel ashamed of their defeat, as they are the equals, if not the superior of any 140 pound foot ball team playing the gridiron game in any city of the size of Alexandria in the United States. It is to be hoped that in the future that they will only play teams in their class. The next game to be played will be with the Enamon Athletic Club team, of Washington, on the Shipyard Field, Sunday, November 14, at 3 p. m.

The Dreadnaught football team won a hard fought game from the Spartan A. C., of Washington yesterday, score 25-6. The Spartans came over yesterday with the intentions of giving the local clubsmen a beating, which looked very much like the truth during the first quarter. Hayden rushed over the line for the first touchdown in a few minutes after the start through a series of line smashes. After the next kick off and a few unsuccessful plays by the Spartans they pushed it Wenzel on the 40 yard line when Wenzel fumbled was scooped up by the opposing centre and carried the ball over for the first touchdown of the season against the Big D. Coach Billy Crouch came into the game at this point and the result was never in doubt after this, as the Spartans did not make a first down during the remainder of the game. The large crowd present was very much impressed with the wonderful fight put up by the Washington team many expressing appreciation on the fine showing of both clubs. Jimmy Hasson, Wenzel, Hayden and Swan starred in the backfield for the Big D. while West, Crouch and Hurst played well in the line.

Destroyer A. C. Wins

The strong Destroyer Athletic Club team defeated the Washington A. C. yesterday by a score of 20 to 0. Darkness caught the local boys and they could only play half. The starring of Otis and the heavy kicking of Snellings held the Washington lad's back to their goal post.

The line up follows: Snellings, R. T.; Jameson, R. T.; D. Jameson, L. G.; Whitestone, Center; Stone, L. G.; Hewitt, L. T.; Cornell, Q. B.; J. Bayliss, R. H. B.; Corbin, L. H. B.; Otis, F. B. Goals, Otis 2, Cornell 1; Snellings, 2 points for goal kicks. Red Trumble, of the Marine Corps, played well for the local boys.

DEFENDING GIRLS, ESCORT SLAIN BY OUTLAWS

Charlotte, N. C., Nov. 8.—Two unidentified negroes early last night held up an automobile party of two young men and two girls on a highway three miles from Gastonia, N. C., killed one of the young men, John Ford, of Lincolnton, N. C., dragged the girls from the automobile into the woods, attacked them and made their escape, according to telephone messages to the Charlotte police department.

Late last night Charlotte police, with a posse of officers and armed citizens of Gaston County, were scouring the countryside in search of the negroes, who were believed, however to have made their escape on a passing freight train. Feeling was said to be intense.

The two young women were taken to a Gastonia hospital, where it was said late last night their condition was serious. Their homes are in Gastonia. The two young men, John Ford and Ransom Killian, both of Lincolnton, were said to be unarmed when attacked by the negroes. Killian was not injured.

Ford was shot and instantly killed when he offered resistance to the negroes in their attempt to take the girls from the automobile, according to the reports received here.

DEBS PREFERS PRISON

Says He'd Be Ashamed at Large in Present Condition of Society

Atlanta, Nov. 8.—Eugene V. Debs, whom it became known in Washington yesterday that the President has no intention of pardoning, wants his case to come last of all persons imprisoned for violation of wartime laws or, better, not at all under the present Administration, according to a statement from the Socialist leader given out yesterday through his attorney. The statement follows:

"I understand that each political prisoner will be considered separately and I hope my case will come last of all. I really would rather that it come not at all under the present Administration, because I would be ashamed to be at large under the chaotic conditions of society."

Debs, who is serving a 10-year sentence at the Atlanta Penitentiary for violation of the espionage law, celebrated his sixty-fifth birthday Friday. His attorney and other friends called and he received flowers and numerous presents.

GEORGIA G. O. P. TO CONTEST

Will Carry Irregularity Charges to Congress

Atlanta, Nov. 8.—Three Republicans who lost to Democrats in Georgia Congressional races will take their fights before Congress on charges of irregularities according to notices made public here today.

There were only five Congressional districts in Georgia in which Democrats had opposition and in the three in which contests are promised are the First, Fifth and Ninth districts. Georgia has not sent a Republican to Congress since Reconstruction days.

5,000,000 TYPHOID GERMS LOST FROM WAGON IN PHILADELPHIA

Philadelphia, Nov. 8.—Five million typhoid germs have been lost somewhere in this city, and a reward has been offered for their return. When last seen, the bugs, done up in a package, were in a wagon being driven along the Delaware river front. When the wagon reached its destination—a warehouse—the germs were missing.

The germs were intended for use in inoculating doughboys against typhoid fever.

"Babe" Trumble, 32, proprietor of the Chappell Hotel at Sandwich. According to Spracklin, he shot when Trumble pressed a pistol against the minister's stomach.

GRAVES OF LOST RACE UNEARTHED UNDER OLD ROAD

The Dalles, Oregon, Nov. 8.—What may prove to be the greatest archeological discovery ever made in the Northwest was uncovered by scrapers of the roads crews working on the Columbia River highway.

Scores of graves and skeletons were found together with ruins of buildings, body ornaments, cooking implements and many other relics of a civilization that is believed to have preceded the Indians, according to news reaching here yesterday.

Celilo Indians richest in lore and traditions of any of the Indians living in the vicinity of The Dalles, knew nothing about the existence of this burial ground and are unable to read any of the numerous hieroglyphics appearing on the relics.

PASTOR QUITS CHURCH THAT BANS DANCING

New York, Nov. 8.—Controversy over the vices of card playing and dancing led to the designation of Rev. Dr. Frederick Marsh Gordon, pastor of the Flatbush Christian Church and four of the elders.

The elders and the pastor have been at odds over the question for some time, the Rev. Gordon maintaining that to put a ban on cards and dancing led to the resignation of five from the church. "It is simply a clash between old and new ideas," he said. "I am sure the church can not flourish unless it can hold its young members."

In outlining his project Mr. Vanderlip said the village was filled with some "undesirable citizens," but that when it is reconstructed it is hoped "to get some nice people."

J. G. HALL THREW AWAY HIS CRUTCHES BECAUSE HE DID NOT NEED THEM AFTER TAKING RE-CU-MA.

FOR SEVEN YEARS HE COULD NOT WALK WITHOUT THEM

The manufacturers of Re-Cu-Ma do not claim that it will work miracles, but here is a case where it actually put a man on his feet again after seven years' use of crutches. Everyone in Bellair, Florida, knows J. G. Hall an everyone has confidence in what he says. Many of his townspeople were witnesses of his act of throwing away his crutches after having taken seven bottles of Re-Cu-Ma M. Hall on his crutches has been a familiar sight to his friends; he was almost bent double; in fact; he was so badly crippled with rheumatism that even some of his joints were dislocated and of course he suffered agony at all times, no relief at any time. Mr. Hall was thoroughly discouraged and felt that he would never be able to get around again like other men; he had spent a small fortune with doctors in many places, but without avail. He took one bottle and saw some help and was encouraged enough to take more and now, after taking seven bottles he feels practically cured. He has gained 32 pounds in weight and is able to work hard every day. He is employed as night watchman at the world famous Bellair Hotel and takes an active interest in Masonic and church work. Mr. Hall's remarkable cure should be a beacon of hope to others who are similarly afflicted, for we naturally feel that Re-Cu-Ma can do as much for other sufferers. Try it today—we sell it on the guarantee that your money will be refunded if you do not feel benefited after taking it four days. It sells for $1.20 plus war tax and can be had at Rexall Store and all drug stores.

How a Bad Cold Was Broken Up

IT DOESN'T PAY to neglect a cold. It is folly not to realize a cold as sickness. Even if a cold doesn't put you in bed, the wearing, racking, wrenching cough weakens you and is an open invitation to other serious illness.

Foley's Honey and Tar

COMPOUND

is an ever-ready aid to sufferers from colds. It relieves the tightness and soreness, covers the inflamed surfaces with a soothing, healing coating, loosens phlegm and mucus and helps dispel it, clears the air passages, eases hoarseness and banishes irritating tickling in the throat.

This Man Was Sick In Bed

John Vogue, Elberton, Ga., writes: "Last Fall, when all my neighbors were down with Influenza. I took a most severe cold and almost before I was aware of my condition I was down sick in bed. I coughed night and day and my throat was raw and sore inside and it felt as though the skin had been torn out. I took some medicine but got little relief. I concluded to try Foley's Honey and Tar Compound. I took eight small doses of it in 24 hours. My condition began to improve at once and in 2 days I was as well as ever. I recommend it to people during the winter and all of them are greatly benefited by its use. It is in my opinion the best cough medicine made."

Foley's Honey and Tar contains no opium, morphine, chloroform, or other injurious drugs. It is an old-time home remedy in which are scientifically blended the curative effects of honey and pine tar with the old fashioned plants and herbs found in forest and field and used by our grandparents.

Look Out for Rheumatism As Winter Approaches

So many cases of Rheumatism come from a tiny disease germ that infests the blood, that physicians are beginning to realize that this source of the disease is becoming quite prevalent. Of course a disease that has its source in the blood cannot be reached by local remedies applied to the surface.

One remedy that has given splendid results in the treatment of Rheumatism is S.S.S., the fine old blood remedy that has been sold by druggists for more than fifty years. S.S.S. acts by driving out of the blood the disease germ that causes Rheumatism, thus affording real relief.

Begin taking S.S.S. today and if you will write a complete history of your case, our medical director will give you expert advice, without charge. Address Chief Medical Adviser, 151 Swift Laboratory, Atlanta, Ga.

They Come Clean

It's not only the cleanliness and care with which we devote to your clothes that makes our helpfulness to you so important. It is also the removal of the burden of wash days—the lightening of your work and worry and the solving of the problem of keeping contented and competent maids.

gained by higher income taxes.

It was expected that tariff questions would be brought into the discussion and that those in charge of tax legislation might seek to offset some of the deficit by higher duties and customs, according to the Treasury's argument for wiping the profits tax provisions off the statute books.

The Treasury is committed to a continuation of the sale of savings securities. Although amounts thus obtained are small, they help materially in relieving current burdens of demand on the Treasury by spreading out the maturing dates, according to officials. This feature of the financial status of the Government also will have to be considered in the next tax laws, since officials believe it offers one road for the distribution of small amounts of the tax burden over additional years. It was said to be only a means of deferring payment, but after the Victory notes have been retired securities on which the payments have thus been deferred can be better handled.

Meanwhile the Treasury will carry on its announced program of short-term financing, issuing certificates of indebtedness to meet current requirements in anticipation of quarterly payment of income and profits taxes. It was said that the certificate issues probably would continue on a bimonthly basis until Congress indicates what it will do in the way of tax legislation.

HONOR PHONE OPERATOR

Monument to Girl Who Died After Faithful Service in Epidemic

Wellman, Ia., Nov. 8.—What is believed to be the only monument ever erected by the public in recognition of the services of a telephone operator was unveiled here in the presence of practically every man, woman and child in the community.

The stone bears the name of the young woman, Ida A. Chapman, with the inscription that it was erected in honor of faithful and efficient service. This little community was swept less than a year ago by an epidemic of influenza. At one time three-fourths of the homes had one or more inmates sugering from the disease.

Miss Chapman, who was 22 years old, was one of two operators employed in the community exchange. Telephone service was at a premium because of the calls for doctors, nurses and other forms of aid. When her fellow-operator was stricken, Miss Chapman worked literally night and day, and her efficient service was responsible for saving several lives. She fell ill in turn, and so worn out was she with her labor that she did not have strength enough to combat the disease, and died.

DEMOCRATS SCORE BRYAN IN SOUTH

Memphis, Tenn., Nov. 8.—William J. Bryan has alienated himself from Southern Democrats by his suggestion that President Wilson resign. The storm of protest has swept over Dixie and the Commoner has been denounced from the Ohio to the Gulf.

"Mr. Bryan has lost his right to take part in any conferences as to Democratic procedure," said C. P. J. Mooney, editor of the Memphis Commercial Appeal in a signed editorial yesterday. "He is not fit to make a suggestion to President Wilson. Mr. Bryan went to San Francisco and made a fight against Cox. That was his privilege. Mr. Cox won. Mr. Bryan said then, 'his heart was in the grave.' As far as the Democratic party is concerned it might as well stay there."

JILTED LOVER HELD FOR GIRL'S MURDER

St. Louis, Nov. 8.—Police today concentrated on efforts to shake the story of Albert Halthaler, in an attempt to solve the mystery surrounding the murder of Edna Ellis, telephone operator, whose body was found Friday in a vacant lot with her throat slashed and her garments strewn over the grouno. Mrs. Mary Ellis, mother of the dead girl, accused Halthaler, a jilted suitor.

"You are the only enemy my daughter ever had," she said. "I know you murdered her." Halthaler told the authorities he was at home the night of the murder and his mother corroborated his statement. He was taken to the scene of the murder, but continued to maintain his innocence.

DISCOVERS BODY BURIED AS SON IS A STRANGER

Fredericksburg, Va., Nov. 8.—After resting in the family ground of W. H. Manning, in Stafford County near this city, since May 9th, last, the remains of an oversea soldier thought to be his son, were disinterred yesterday and sent to Arlington Cemetery. A representative of the government came here from Washington and notified Mr. Manning that the body buried in Stafford was not his son. The name of the soldier brought here was Walter Manning, but he was from another section of the country.

The error was discovered through the serial number. The remains of Private Walter Manning, of Stafford, are thought to be yet resting beneath the poppy fields of Flanders

SHOE PRICES TO BE CUT

Boston, Mass., Nov. 8.—Shoe prices have not touched bottom yet, Boston's competitors in New York will announce shortly another substantial cut of $2 and $3 per pair, with the stipulation that the retailand shall convey this entire reduction to the consuming pub'c. This proposition has been reported in Boston in connection with a movement of similar purport but different process.

Boston jobbers have plenty of shoes on hand, but will not openly declare such a price reduction as New York is about to announce, fearing a reduction on orders already placed. What Boston would like to see is a visit by the buyers, for individual negotiations over prices.

GAMBETTAS' HEART TO REST

To be Deposited in Pantheon on Armistice Day

Paris, Nov. 8.—The heart of Gambetta, the great French statesman, will be removed on Armistice day from its resting place in a room in his house at Ville-Davray and conveyed to the Pantheon, where, after ceremonies, it will solemnly be placed on a cenotaph in the centre of the choir. To make room for the ceremony Rodin's famous statue, "Le Penseur," has been moved away from the main entrance of the Pantheon, while at the bottom of the central nave a monument will be erected representing the people's Representatives swearing fidelity to the Constitution.

Gambetta's heart will be removed from the house by delegates from the Society of Friends of Gambetta, and given into the hands of Veterans of the Franco-Prussian War, who will escort it to Porte Maillot, where it will be placed on a mourning chariot and taken to the Pantheon. A memorial tablet is to be placed in the room where the heart has rested for 22 years.

Working Hard Every Day Without Let-up Wears You Out in Time

SOMETIMES YOU NEED A TONIC

Pepto-Mangan Makes Rich Red Blood and Lifts You Out of Bad-Health Ruts

There are days when you feel down right sick. You think you couldn't feel any worse. Yet, as far as you know, there's nothing the matter with you. From the time you get up in the morning till you go to bed at night you are tired. You feel as though you'd like to sit down and do nothing you look tired and pale and haggard. You get careless about your dress.

No wonder! Your blood is all clogged up with poison. Your power of resistance is at a low ebb. Your blood needs food. It needs the help that the vitalizing tonic, Pepto-Mangan, will give it. Instead of feeling exhausted and tired out for months, you will soon pick right up and feel well and strong again. And with good red blood you are able to fight off ailments.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form, and you can take one or the other and receive the same benefits.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the full name and be sure the full name, "Gude's Pepto-Mangan," is on the package,—Adv.

Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief.

Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.

(Continued from Page One)

after her into an adjoining room and threw his hand over her mouth to prevent her making an outcry and then attacked her.

She claimed that Cearser threatened to kill her if she told anyone. Mrs. Matilda L. Minter, mother of the young woman, told the court that some time ago her daughter told her she did not want to go to work at this store. According to witness the daughter remarked, "I would rather die than go to work there." Finally the mother pressed her daughter to tell why she did not want to return to the fruit dealer's establishment. The mother then narrated what her daughter had told her.

As soon as the daughter told her of the alleged attack of about a month ago, which was yesterday morning, the mother in the afternoon went to police headquarters and told the circumstances of the affair to Police Sergt. Wilkinson. Police Sergt. Wilkinson at once prepared a warrant and went to the place of Cearser and placed him in custody and he was locked up.

The police kept the matter quiet for fear of trouble should it become generally known. The result was that practically few persons were aware of the complaint lodged against the fruit dealer and he will be far from Alexandria when it is known through the press this afternoon.

Mayor Duncan said this morning that he would take no chances on having violence done the prisoner. Members of the police force felt confident they said that were the facts known to the public they would have difficulty protecting the fruit dealer from mob violence.

Cearser has been in this country four years and it is understood that he told the police he has a wife in Italy.

FOR TWO MONTHS HE COULDN'T WORK

Was so Weak and Run Down Before He Got Tanlac He Couldn't Stay on The Job

"Tanlac will always get a good recommendation from me, for it has relieved me of a case of nervous indigestion that made me miserable for three years," said Hanson Kurtoz, 218 Felix street, St. Joseph, Mo.

"I had no appetite at all and could not eat anything but what would bloat me up terribly and cause the worst sort of pains. I could hardly sleep at night, and would get up as tired as if I had not gone to bed at all. I also suffered pains in my sides and was so dizzy at times I could hardly stand.

"For two months I had to lay off from work. I had not finished my first bottle of Tanlac before my appetite began to pick up and the gas stopped forming on my stomach. My appetite and digestion are so good now that I never feel a touch of indigestion. I never have a dizzy spell nor an uncomfortable feeling now, my nerves are quiet and I sleep like a child. I am now feeling like my old self again, am working every day and getting back my lost weight and strength right along."

Tanlac is sold in Alexandria by Edgar Warfield, Jr., and Gibson's Drug Store.
